FLAKEBOARD ADDS 14 EXCLUSIVE DESIGNS TO ITS 2008 TFM COLLECTION

Markham, CANADA – Flakeboard is proud to launch its 2008 thermally fused melamine collection with the addition of fourteen exclusive designs:

WF204 Baroque	WF208 Libretti	WF203 Seria
AF204 Canyon Crushed	WF207 Orissa Cherry	WF205 Teresina
AF201 Conundrum	AF202 Paradox	AF203 Vanilla Crushed
AF206 Curacao Crushed	AF200 Pewter Frost	WF202 Verismo
AF205 Evening Crushed	WF206 Portia Glow	

The additions include the new Opera Series - straight grain designs in natural earth brown tones - and additions to Flakeboard's Glow, Frost, Crushed and Exotica Collections.

Design Manager Cathy Barrett remarks: "These new additions add depth and dimension to our TFM collection, rounding out what is Flakeboard's boldest design statement to the market yet."

Flakeboard's Design Debut introduction will take place on March 25 and will kick-off the launch of the 2008 TFM Collection featuring 101 items.

Flakeboard has four particleboard and four MDF plants in North America, with melamine lamination situated in Ontario and New Brunswick, Canada; Simsboro, Louisiana; and a new site in Bennettsville, South Carolina starting up in June 2008.
